The Company shall take all reasonable steps to ensure the accuracy of details relating to Supplies, but accepts no liability in contract or tort or under statute or otherwise for any error or omission in such detail whether caused by the Company's negligence or otherwise. The Company may make changes to the Supplies as part of a continuous programme of improvement or to comply with legislation.

12. Risk and ownership

The risk of damage to or loss of Goods will pass to the Customer when the Goods are unloaded from the Company's carriers at the Customer's premises. Until ownership passes to the Customer, the Customer must hold the Goods on a fiduciary basis as the Company's bailee. If payment is not received in full by the due date, or the Customer passes a resolution for winding up or a court shall make an order to that effect, or a receiver is appointed over any assets or the undertaking of the Customer or an execution or distress is levied against the Customer, the Company shall be entitled, without previous notice, to retake possession of the Goods and for that purpose to enter upon any premises occupied or owned by the Customer.

This Catalogue remains at all times the sole and exclusive property of the Company.

14. Performance and fitness for purpose

Unless any performance figures, tolerances or characteristics have been specifically and expressly warranted by a director of the Company in writing, the Company accepts no liability for any failure of the Supplies to comply with such criteria, whether attributable to the Company's negligence or otherwise. The responsibility for ensuring that Supplies are sufficient and suitable for a particular purpose is the Customer's, unless specifically stated in writing by a director of the Company. Any advice or recommendation given by an employee of the Company which is not confirmed in writing by a director of the Company is acted on entirely at the Customer's risk and the Company shall not be liable for any such advice or recommendation which is not so confirmed. Except as set out in Condition 16, the liability of the Company to the Customer, should any warranty, statement, advice or recommendation confirmed in accordance with this Condition 14 prove to be incorrect, inaccurate or misleading, will be limited to the refund of the price paid for the Supplies or, at the Company's option, the supply of replacement Supplies which are sufficient and suitable.

15. Warranty/Guarantee

Not all Goods are supplied with a manufacturer's or Company guarantee and guarantees which may be provided by manufacturers will vary in duration. It is the Customer's responsibility to check at the time of purchase as to the applicability of the Company's guarantee and/or the terms of any manufacturer's guarantee. Where the Company's guarantee is provided, the Company will, free of charge, repair or, at the Company's option, replace Goods or, in the case of Services, re-perform Services which are proved to the reasonable satisfaction of the Company to be damaged or defective due to faulty materials, workmanship or design. This obligation will not apply:

- if the defect arises because the Customer has altered or repaired such Goods without the written consent of the Company;
- because the Customer did not follow the manufacturers' instructions for storage, usage, installation, use or maintenance of the Goods;
- if the Customer has failed to notify the Company of any defect in accordance with Condition 8 where the defect should have been reasonably apparent on reasonable inspection; or
- if the Customer fails to notify the Company of the defect within 12 months (or such other period as the Company shall specify at the time of acceptance of the order for the Supplies) of the date of dispatch of the Goods or performance of the Services.

Any replacement Supplies made or Goods repaired under this Condition 15 will be guaranteed on these terms for any unexpired portion of the period of guarantee given on the original Supplies. Any Goods which have been replaced will belong to the Company.

The Customer grants to the Company and its employees, agents and representatives a right to enter onto its premises to effect any repair or replacement under this Condition 15. Except as set out in 16 below and 8 above, this Condition is the Company's sole obligation and the Customer's sole remedy for defective Supplies and is accepted by the Customer in substitution for all express or implied representations, conditions or warranties, statutory or otherwise, as to the satisfactory quality, fitness for purpose or performance of the Goods (or any materials used in connection therewith) or the standard of workmanship of the Services and all such representations, conditions and warranties are excluded.

The Company does not exclude its liability to the Customer:

- For fraud, including fraudulent misrepresentation

- Any of the Supplies, or the manufacture, sale, performance or supply or failure or delay in performance or supply of the Supplies by the Company or on part of the Company's employees, agents or sub-contractors;
- Any breach by the Company of any of the express or implied terms of the Contract;
- Any use made or resale or on-supply of any of the Supplies or any product incorporating any of the Goods or developed using the Supplies;
- Any acts or omissions of the Company at the Customer's premises;
- Any statement made or not made or advice given or not given by or on behalf of the Company; or
- Otherwise under the Contract

And the Company hereby excludes to the fullest extent permissible at law all conditions, warranties and stipulations, express (other than those set out in these Conditions or given in accordance with Condition 14) or implied, statutory, customary or otherwise which but for such exclusion, would or might subsist in favour of the Customer.

The Company's total liability in contract, tort, (including negligence), breach of statutory duty, misrepresentation or otherwise shall be limited to repairing or replacing Goods or in the case of Services, re-performing the Services or, at the Company's option, refunding monies

already paid in respect of the Supplies.
